Minimum Pilotage Tariff \$1605.00 per full pilotage

Massachusetts Transit rates for Buzzards Bay and the Cape Cod Canal on all vessels:

\$ 1476.07 plus \$3.26 per PU for a minimum of \$1,605.00. In addition, a Gross Tonnage Tariff of \$0.0047 per Gross Registered Ton. Should a towing unit not be able to make the passage in four hours or less, an additional fee of \$331.78/hour or part thereof shall apply after the first four hours.

Massachusetts Transit rate for Vineyard Sound all Vessels: Same rates apply as transit Buzzards Bay and Cape Cod Canal.

Massachusetts Transit rate for Nantucket Sound all Vessels: Same rates apply as transit Buzzards Bay and Cape Cod Canal.

Survey/Dynamic Positioning Operations: The foregoing rates shall apply for vessels requiring a pilot that are engaged in survey or dynamic positioning work in District 3 and 4 waters:

A: Vessels engaged in surveying or DP operations shall pay full pilotage fee for the first three hours on board. After three (3) hours the rate shall revert to a flat rate of \$585.00/hr.

B: Pilot change scheduling shall be at the discretion of Dispatch office

Note: PU=Pilotage unit= (LOA X extreme breadth X depth to uppermost continuous deck) / 10,000
